## 20<sup>th</sup> Anniversary Recital of St. Luke's Organ a Huge Success

This recital was hosted by St. Luke's Organist Jane Peterson Ganz and featured ACM organists and guests.

The article is reprinted from the St. Luke's Episcopal Church Parish Newsletter.

On October 18, 2009, the Feast of St. Luke, St. Luke's Episcopal Church in Madison was involved in a triple celebration! On that day, the church celebrated their patronal saint's feast day; the 20<sup>th</sup> anniversary of the dedication of their Visser-Rowland tracker organ; and the installation of their new Rector, the Reverend Paula Harris. The organ part occurred at 3:00pm that afternoon in the form of a recital featuring area musicians. St. Luke's sanctuary has near-perfect acoustics for music, and so was a delightful space in which to enjoy all the wonderful music. In case you missed it, the program is listed here:

## Hosting an AGO Regional Convention:

## A Special Informational Meeting, Monday, December 7

All members, especially AGO members, and the ACM board are invited to a special meeting at 6:30pm on Monday evening, December 7, at Good Shepherd Lutheran Church on Raymond Road. We are considering submitting a bid to have the Madison chapter of the American Guild of Organists host an AGO regional convention in the summer of 2013. Our AGO Regional Councillor, Jan Kraybill, came to Madison and gave a very encouraging and informative presentation on November 9.

This meeting will afford more time for your ideas and for discussion. The ACM Executive Board will then vote on the proposal at its regular meeting on Monday, January 11. The deadline for submitting a bid for the 2013 convention is January 31, 2010.

Please come and bring your comments and ideas. If you are unable to attend the meeting, you may forward your comments to John Krueger (422 Maple Avenue, Madison, WI 53704; 608.249.0679; [j.krueger@att.net](mailto:j.krueger@att.net)).

## A Note About ACM E-Updates

Missed the ACM newsletter deadline for a musical event coming up at your church? Or has something really worthwhile come to your attention at the last minute? It's great to have e-mail as a way to reach all ACM members quickly for such reminders. However, in an effort to not SPAM our members, we try to limit e-mails from ACM to twice monthly: once for a notification that the newsletter is online, and again at about mid-month to take care of those missed deadlines and last minute reminders. When submitting your event for an e-update, please keep the information brief, limiting it to the event name, date, time, location and where to go for more information (such as a website, phone number, or e-mail address). Submissions for e-updates may be sent to [linda.warren@tds.net](mailto:linda.warren@tds.net) or [ACM@MadisonACM.org](mailto:ACM@MadisonACM.org)

## ACM's Alpine Organ Crawl

A small but enthusiastic group traveled through the gently rolling hills of Green County on October 31 to experience not only the pipe organs, but *Gemütlichkeit*, of Monroe. Starting at St. John's United Church of Christ, a congregation which was established in 1862 by Swiss immigrants, attendees were greeted with Green County cheese, fine pastries from The Swiss Colony, (which was founded in Monroe and is headquartered there), and welcome gifts from The Swiss Colony and Turner Hall of Monroe. Starting with the historic installation of the organ crawl, St. John's houses a 2-manual 1923 Wangerin-Weickhardt, built in Milwaukee. The next stop was right next door at St. Victor Catholic Church, featuring a 2006 hybrid of a 1968 Möller combined with a 3-manual Rodgers, housed in an outstanding acoustical setting. The third installation visited was a small 2-manual 1977 Reuter at Grace Lutheran Church, followed by the largest pipe organ in Monroe, a 3 manual, 39-rank Berghaus, built in 2001 at the United Methodist Church of Monroe.

In the middle of the church visits, an authentic Swiss meal of Kalberwurst (veal bologna), Rösti (shredded potatoes), green beans and Brätzeli (Swiss cookie) was served at the Ratskeller Restaurant of the Turner Hall of Monroe. Established in 1868, it is the only Turner Hall of Swiss origin left in the United States. (All others are German.) The current building, a Swiss chalet which is listed on the National and State Registers of Historic Places, was built in 1938 following the 1936 fire destruction of the original structure. ACM members were greeted by an alphorn fanfare, and then treated to authentic Swiss folklore music presented by a few members of the Monroe Swiss Singers, which included alphorn blowing, Talerschwingen (coin-rolling in tuned bowls), and Swiss button box music.

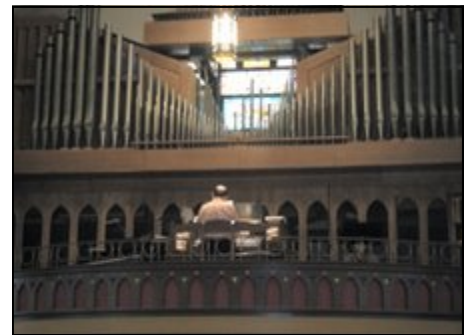

For a complete re-cap of the day's events, as well as a photo gallery, visit <http://madisonacm.org/alpineorgancrawl.html>

ACM's organ crawl started at St. John's United Church of Christ, near the center of town.

Hostesses for the event were ACM secretary, Ann Herr of Grace Lutheran in Monroe, and ACM webmaestro, Deb Krauss Smith of St. John's UCC, who also happens to be of Swiss descent.

Ted Reinke playing the amazing Möller-Rodgers hybrid at St. Victor Catholic Church. Kelly Monette did the installation in 2006. The acoustics in this building are equally amazing.
